Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 23 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet and windy for Sunday.

This Evening and Tonight:
A dry evening with clear skies across the region. Remaining dry during the early night before a band of rain alongside snow arrives in from the west and spreads across the region before the dawn. Cold night. Minimum temperature -3 deg C (27 deg F).

Sunday:
Band of rain and snow persists during the morning and slowly moving eastwards. Further precipitation during the evening accompanied with strong winds and coastal gales. Turning dry and cloudy overnight. Maximum temperature 7 deg C (45 deg F).

Outlook for Monday to Wednesday:
A largely dry and cloudy day on Monday with rain arriving overnight. Milder on Tuesday but with heavy showers. Windy on Wednesday with further rain arrives during the evening.
